Other costs

Songs requests are welcome, however, if requested music is brand new material (which I do not have the sheet music or backing tracks for) an extra fee will be charged dependant on the costs incurred to myself.

Weddings that are further than 5 miles from Weston-super-Mare will incur a travel cost of 45p per mile.

The price list above is a rough guide and each wedding will have an individual quote, depending on what is required.

FAQs

Will you bring your own equipment?

Yes! I will bring my own equipment and sound check myself at each venue.

Can you perform outside?

Yes, unless it is raining ☔

Can you perform with a live musician?

I can arrange for accompaniment if that is preferable over backing tracks, however, this will incur an extra charge on top of my fee (however much the guest musician charges).

Can you perform acoustic music and classical?

Yes! I can perform a range of styles, self-accompanied on my guitar and classical music with my own recorded backing tracks.

Can you record your songs for us?

Yes. For an extra fee, I can record my performance and create a personalised CD to remember your special day.
